UNIVERSITY OF COLOMBO

MD (ORAL SURGERY) EXAMINATION – MARCH 2011

Date : 21st March 2011

Time : 10.30 am ~ 1.30 pm

PAPER I

Answer all four questions.

Each questions to be answered in a separate book.

1. Discuss the challenges of resection of primary malignant lesions involving the oral cavity.
2. Discuss the management of Velo-Pharyngeal Insufficiency (VPI) of a child treated for cleft palate.
3. Discuss how examination of the mouth assists diagnosis of medical disorders.
4. List the difficulties and complications that may occur in the preoperative, intra-operative and post-operative period in the obese patient.
Describe the measures to be taken to minimize these risks.

POSTGRADUATE INSTITUTE OF MEDICINE
UNIVERSITY OF COLOMBO

MD (ORAL SURGERY) EXAMINATION – MARCH 2011

Date : 21st March 2011

Time : 2.30 pm – 5.30 pm
